

MANKIND CANNOT SAVE THEMSELVES

18/3/18

Even the best minds in the world have come to the conclusion that life as we know it, will end unless drastic changes are made.

What is missing that allows humanity to go from surviving and developing for thousands of years: to finding themselves on the brink of annihilation at their technological peak? God is not mentioned once by the most recognised minds on the earth. The difference today is that we now have the technology and numbers of people to overwhelm the earth and destroy it, thus real fears of total destruction are rising.

Interestingly, the scriptures identified these problems thousands of years ago and have continually offered the only workable answer; right up to our current age.

Humanity has no workable solutions. JER 10:23 O LORD, I know that the way of man is not in himself: it is not in man that walketh to direct his steps. Without God's ways, nothing is sustainable history shows this.

Once God's ways are corrupted, it is not long before all of society's values fail as well. HOS 4:1 Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because *there is no truth, nor mercy, nor knowledge of God* in the land. **2** By **swearing** (*promising*), and **lying**, and **killing**, and **stealing**, and **committing adultery**, they break out (*change sustainable laws*), and blood toucheth blood (*violence gets worse and worse*). **3** Therefore shall the land mourn, and every one that dwelleth therein shall **languish**, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away. **&6** My people are **destroyed** for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. *Since the printing of the first bibles (1600's), the West was slowly built on sustainable values. However, ignorance and selfish lusts often replace scriptural integrity.*

We all agree there is good and evil, but unless they are biblically determined, life won't improve. ISA 5:20 Woe (*unresolvable troubles*) unto them that call **evil good**, and **good evil**; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Sadly, church leaders are as vulnerable to failed and unscriptural ideology, as political leaders and our failing educators. God's people should be the example for the rest of society, but have largely moved away from what Jesus revealed as a signs & power backed church. The real church has so much to offer, but can lack effective and serious motivation.

Jesus foretells of this weakness in the churches. LUK 10:2 Therefore said he unto them, The **harvest truly is great**, but the **labourers are few**: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest. *The bible reveals that one of the bigger problems facing His church; is lack of labourers, not lack of harvest material! This is equally true of good doctrine, follow up and attendance. Thus the following is written to the true church.* **HEB 3:8** Harden not your hearts, as in the provocation, in the day of temptation in the wilderness: **9** When your fathers tempted me, proved me, and saw my works forty years. *We are reminded that those that followed Moses were rejected because they lacked faith, even though the signs, miracles and wonders were always before them.* **&12** Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God. **13** But **exhort one another daily**, while it is called To day (*now, not something you may do tomorrow, or when you get time, or when you feel spiritual enough*); lest any of you be hardened through the deceitfulness of sin. *This is referring as much to the one doing the exhorting as the one being exhorted.* **14** For we are made partakers of Christ, if we hold the beginning of our confidence stedfast unto the end; *God speaks like this, because we can't save ourselves.*

Preaching and living by the power of the Holy Spirit is the labourers duty. MAR 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature. **16** He that believeth and is baptized shall be saved; but he that believeth not shall be damned. **17** And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; **&20** And they went forth, and preached every where, the Lord working with *them*, and **confirming** the word with signs following. Amen. *Jesus Christ is returning to restore God's ways that bring life and happiness to every person on the earth. This has never happened under human rule, but will soon overtake all those who rejected Christ's ways.*

These are the 11 biggest threats to humanity according to the 2017 Nobel Prize winners.

1. Environmental concerns
2. Nuclear war
3. Disease and drug resistance
4. Selfishness, dishonesty and lack of humanity
5. Ignorance and distortion of the truth
6. Terrorism and fundamentalism
7. Donald Trump and ignorant world leaders
8. Artificial intelligence
9. Inequality
10. Drugs
11. Facebook
