

THE BIBLE IS NOT POLITICALLY CORRECT 24/7/16

*Neither should it be. Commonly abbreviated to PC: is a modern term, claimed to be used to describe language, policies, or measures that are intended not to offend/disadvantage any particular group of people. In reality, the PC movement uses guilt and deceit, to support the perversions of a minority at the expense of everyone else. Given enough time, a whole society will crumble. This is nothing more than Godless ideology. **PRO 27:20 Hell and destruction are never full; so the eyes of man are never satisfied. Selfishness never ends.***

The gay and feminist movement, etc., have been hijacked by some masquerading as human rights advocates. Their practices reveal them to be no more than socially toxic atheists, seeking to justify sin. This becomes clear by their deafening silence when gay and female victims, etc., are conservatives, rather than one of their own political allies. Real victims are often pawns, which the PC crowd publically uphold when it suits them.

God favours all humanity... that is why he is conservative (maintains principles that work for all people). 1TIM 2:4 Who will have all men to be saved, and to come unto the knowledge of the truth. God's ways work for all people at the same time... not just the favoured elites of the ruling class nor the blinkered intellectuals.

The world is inventing the rules as they go along, that is why many societies in the world are in decline. 1THE 5:3 For when they shall say, **Peace and safety;** then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. Progressives promote changes on a daily basis and once one change is made, then there is another waiting to be introduced... a never ending cycle of delusion. History reveals the Roman Empire lasted 500 years, because despite many of their failings they remained stable to the principles that kept them unified. The failures came as progressives started to undermine the values that had made/kept them great. This brought the empire down and is what is bringing our own society down today. The Romans were equally corrupted by PC ideology. Their money, military leadership, political integrity, social morality, treatment of the poor... were all corrupted by those who had other selfish agendas. They never learned to be accountable for their own actions and Rome fell. This is a common, human trait... Consider the first examples; Adam blamed God and Eve, Eve blamed Satan, Cain blamed Abel for their own bad decisions.

Christianity is firstly about the battle between life and death... Then secondly about a lifestyle that reflects the purpose of creation. The bible has already identified the destiny of all PC ideology. **ISA 50:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!** Those who rightly oppose PC ideology are often shouted down or silenced, because PC'ers don't have the integrity or facts to defend their beliefs. Alternatively, true Christians have a signs following ministry. This is the exact opposite to the atheistic, self-hating, spiritually dead PC movement.

I am not come to send peace... **MAT 10:34** Think not that I am come to send peace on earth: I came not to send peace, but a sword. **35** For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. **36** And a man's foes shall be they of his own household. **37** He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me. The truth is offensive for those who don't want to be accountable.

The bible is offensive because it reveals the true nature of human vanity and pride. ZEC 7:9 Thus speaketh the LORD of hosts, saying, Execute **true** judgment, and shew mercy and compassions **every man** to his brother: **10** And oppress not the widow, nor the fatherless, the stranger, nor the poor; and let none of you imagine evil against his brother in your heart. **11** But they refused to hearken, and pulled away the shoulder, and **stopped their ears,** that they should not hear. That is why most PC thinkers are more about shutting down debate, than searching out historic facts or truths, because history contradicts their pet theories and desires. God wants all men to enjoy an equal quality of life, which isn't possible under PC ideals. Remember, all western nations were built on the principles contained in the 10 commandments... as they change, so they fail.

This world will end for all humans: death is inescapable. ECC 8:8 There is no man that hath power over the spirit to retain the spirit; neither hath he power in the day of death: and there is no **discharge** (physical solution) in that war; neither shall wickedness deliver those that are given to it. There is no spiritual solution without God. The PC progressives will never admit their failings, because everything that is wrong in their lives is always someone else's fault; they are only ever good at creating victims. There is no PC doctrine that supports eternal life, because God and integrity are never allowed to be part of any solution. However, there is a biblical solution, but that requires people to take ownership of their lives; stop being a victim and do as God has revealed... otherwise death will take the lot of them. **Repent, be baptised and receive the Holy Spirit.**
