

# CONNECTING GOD AND YOU

7/10/18

*The hardest thing about making a connection with God lies in the fact that this world mocks and scorns anyone who mentions any belief or evidence of a creator. We are pressured from birth not to even consider, anything relating to God or creation. A quick search on Google reveals the real failings of our 'enlightened' and 'modern' culture. There is not the slightest concern about death or its effects on our soul... the top ten problems facing humanity don't even consider death or the state of the dead. It is a conspiracy of silence and if you dare ask the wrong questions you face the scorn of society. Yet, only the right question can get the right answer.*

**Every one of these top 10 issues are problems of dying or temporal people, not one of them addresses the real issue of life and death. MAR 8:36** For what shall it profit a man, if he shall gain the whole world, and lose his own soul? **37** Or what shall a man give in exchange for his soul? *Jesus Christ just asked the right question.*

**Only a spiritual solution can solve a spiritual problem. LUK 4:18** The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, **19** To preach the acceptable year of the Lord. *To admit that there is a soul, we need to admit there is a God. This is a huge stumbling block, for far too many people. Our job is to break down the barriers by revealing God's message to this world. Our personal testimony is our greatest argument against unbelief and ignorance of our God given purpose.*

**Solution... Making a lasting connection with God. ACT 2:4** And they were all filled with the Holy Ghost, and began to speak with **other tongues**, as the Spirit gave them utterance. *Jesus's salvation prophecy begins. ACT 10:45* And they of the circumcision which believed were **astonished**, as many as came with Peter, because that on the Gentiles also was poured out the gift of the Holy Ghost. *The Gentiles receive the Holy Spirit. 46* **For they** heard them speak with tongues, and magnify God. *Tongues, is God's universal evidence. ISA 28:11* For with stammering lips and another tongue will he speak to this people. *Prophesied 750 years before Christ. 12* To whom he said, This is the rest wherewith ye may cause the weary to rest; and this is the refreshing: **yet they would not hear.** *The rejection God's personal evidence (tongues); is also prophesied. 1COR 14:21* In the law it is written, With men of other tongues and other lips will I speak unto this people; and yet for all that will they not hear me, saith the Lord. *Paul quotes Isaiah, thus revealing the truth about tongues. Tongues (perhaps the new manna of the church), is the ultimate connection once the Holy Spirit enters our bodies. It's for all cultures, all age groups and has been consistent evidence for 2000 years.*

**The ultimate form of communication: a daily connection. ROM 8:26** Likewise the Spirit also helpeth our **infirmities** (weaknesses): for we know not what we should pray for as we ought: but the Spirit itself maketh **intercession** (connections) for us with groanings which cannot be uttered (God's Spirit speaks the words through tongues, which we cannot speak with our natural mind). **27** And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to *the will of God. The spirit itself makes the correct and affective connection... despite our emotions, pressures, doubts or weakness.*

**Our connection allows blessings, miracles and wonders to flow as well. Confirms God's word... pricks the hearts of the hearers with spiritual truths. MAR 16:15** And he said unto them, Go ye into all the world, and preach the gospel to every creature. & **20** And they went forth, and preached every where, the Lord working with *them*, and **confirming the word with signs following.** Amen. *Our primary role is to be a testimony of God's truth and power, explaining the biblical signs that support these promises. We are a bit like an extension cord that takes God's power from one place to another. Making a connection with anyone willing to listen. Humanity has nothing to offer, only Godless mocking and uncertainty, always ending in death.*

**There is one day coming soon, when everyone will wish they had a connection with God. 2PET 3:10** But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. **11** *Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and godliness, The only thing that survives on this day, are the choices we make now. Salvation and true happiness comes from a working connection with God. The knowledge of this connection brings no lasting joy unless it is exercised. Remember salvation is always a self-motivated, voluntary choice of life over death; we need to exercise every day... Christianity is not just a belief: it is God in action.*
