

THE LAW OF THE SPIRIT, GENERAL

26/1/20

When we naturally obey a law (be it criminal, civil, scientific or moral), then we can be unaware of the effects of the law. But when we deliberately or inadvertently break a law, there can be serious consequences:

- *Theft can see us put in jail (Criminal Law).*
- *Slandering a neighbour may find us being sued for compensation (Civil Law).*
- *Falling off a cliff will probably prove fatal (Scientific Law).*
- *Lying to a trusted friend will give us a bad conscience (Moral Law).*

Thus, it follows that the breaking of a law brings results that make the law (whether known or not), the dominant controller of our life at that time. Being ignorant of these laws doesn't alter the outcome... we are exposed to pain, failure and even death. These laws exist and have control over us whether we know them or not. Likewise, there is another law, more important than all of the above... Spiritual Laws are usually ignored by the great majority, because there is no immediate or visible consequence for breaking them.

*Spiritual law is about life and death of the soul. **EZE 18:4** Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine: the soul that sinneth, it shall die. Religion or 'isms' becomes the advisory bodies; all claiming expertise... yet, not one of them offer anything more than theory. Remember, science requires evidence before a law can be established and God who created all laws, is consistent.*

*The Christian summary of Spiritual Law. **HEB 9:27** And as it is appointed unto men once to die (observed as a true for all), but after this the judgment: **28** So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation. Christ offers the solution.*

*The anointing of the Holy Spirit turns our body into the temple of God... empowering our soul. **1COR 6:19** What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own. The Spiritual laws that preserve and save life are now active... things are happening.*

*Peter explains these Laws of the Spirit to some interested Gentiles. **ACT 10:38** How God anointed Jesus of Nazareth with the Holy Ghost and with power (signs and proof that all could observe): who went about doing good, and healing all that were oppressed of the devil; for God was with him. **39** And we are witnesses of all things which he did both in the land of the Jews, and in Jerusalem; whom they slew and hanged on a tree: **40** Him God raised up the third day, and shewed him openly (more signs and proof); **41** Not to all the people, but unto witnesses chosen before of God, even to us, who did eat and drink with him after he rose from the dead. **42** And he commanded us to preach unto the people, and to testify that it is he which was ordained of God to be the Judge of quick and dead. **43** To him give all the prophets witness, that through his name whosoever believeth in him shall receive remission of sins (Paul also explained how this law would work, **ROM 8:2** For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death). **44** While Peter yet spake these words, the Holy Ghost fell on all them which heard the word. **45** And they of the circumcision (the Jewish converts) which believed were astonished, as many as came with Peter, because that on the Gentiles also was poured out the gift of the Holy Ghost. **46** For they heard them speak with tongues, and magnify God (the biblical evidence of the law at work). Then answered Peter, **47** Can any man forbid water, that these should not be baptized, which have received the Holy Ghost as well as we? The laws of God come with clear evidence and are able to be repeated at will. This is true of all laws that are factually correct... they can be reproduced.*

Replication is important in science so scientists can "check their work." The result of an investigation is not likely to be well accepted unless the investigation is repeated many times and the same result is always obtained. This is also true of the correct salvation message, as any other doctrine is based on blind faith or virtue signalling (having an emotive verbal opinion, not supported by testable facts or actions).

*Every action has a consequence... genuine laws never stop working. **ROM 7:22** For I delight in the law of God after the inward man: **23** But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members. **24** O wretched man that I am! who shall deliver me from the body of this death? **25** I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin. This is battle is only won by effective Spiritual Laws. The power of the Holy Spirit is greater than the power of sin and death... that is a scriptural fact.*

*Summary of the spiritual law of salvation. **ACT 2:38** Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. Just like everyone else in the bible... you will speak in tongues and learn how to use the other powers.*
