

## WHEN THE WHEELS FALL OFF

12/4/20

*'When the wheels fall off' originated from overloading, or abusing a work vehicle to the extent that it breaks down and is no longer useable. The west was built on the principles contained within the ten commandments, despite the weaknesses of humanity (a certain level of weakness and failure was already factored in to the system). However, as they have been further weakened, we have been overloaded and failures are appearing everywhere. It's the abuses of the principles that leads to failure, not the principles themselves. The bible reveals many of humanities worst failures thousands of years before they have finally come about.*

**God reveals the outcome and failures of human rule. Bureaucratic overload revealed around 600BC.** *These revelations are given before the event... not afterwards with the advantage of hindsight. **1SAM 8:10** And Samuel told all the words of the LORD unto the people that asked of him a king. The nature of Government revealed. All governments need power to rule and power to defeat their enemies... and money to finance their survival. **11** And he said, This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots. Political leaders use other people and their assets to secure their position. The first thing needed is to build a powerbase to protect their position. The army and the public service serve this role well. **12** And he will appoint him captains over thousands, and captains over fifties; and will set them to ear his ground, and to reap his harvest, and to make his instruments of war, and instruments of his chariots. They will take the best of the young people to be trained in an expanding bureaucracy. They will use wars for the profitable business of weaponry and to be seen 'saving' the people from danger. Does this sound familiar? **13** And he will the take your daughters to be **confectionaries** (makers of ointments, perfumes and medicines), and to be cooks, and to be bakers. Keep in mind that when these words were written, no technology existed and all the skills and trades referenced here were the top necessities and skills of the day. These were the jobs that were once only done for personal benefit. The government now controls and profits from the change to the workforce. People grow dependent on the bureaucracy for employment, income and benefits.*

**Your Assets now Become Exposed to Confiscation.** *The government needs to empower its supporters and backers. Big business and power groups become the 'minders' of the government. They are favoured while the working classes are disempowered. **14** And he will take your fields, and your vineyards, and your oliveyards, even the best of them, and give them to his servants. The government gives grants, tax concessions and contracts to large companies and its political friends.*

**Your income will be subject to taxation.** *The controlling interests will get much more than your assets... they will also gain from your labours. **15** And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants. Introduction of burdensome property and income taxes. There were no taxes at all up to this time... God blessed the tithe and offering and the people prospered... but no longer. **16** And he will take your menservants, and your maidservants, and your goodliest young men, and your asses, and put them to his work. Most of society will be working for the king (government). It is interesting that in Australia 40% of the people are working for the bureaucracy, 30% are dependent on government handouts. This is funded by the 30% of the people who are financially productive (as well as business). **17** He will take the tenth of your sheep: and ye shall be his servants. Sounds just like the GST. You are serving the government where you like it or not. **18** And ye shall cry out in that day because of your king which ye shall have chosen you; and the LORD will not hear you in that day. Life is painful under the oppressive weight of big government. Eventually, Israel like society today cries out to be delivered. Remember, up to this point, God was warning what would happen and how they would corrupt themselves: as yet it had not occurred.*

**Despite the Warnings... they Rebelled Against God...** *Reaping the Crisis **19** Nevertheless the people refused to obey the voice of Samuel; and they said, Nay; but we will have a king over us; They got what they wanted with it's enslavement. Just the same today. Refuse God and you remain a servant of the world system. **20** That we also may be like all the nations; and that our king may judge us, and go out before us, and fight our battles.*

*They wanted to be just like everyone else and that is what they got and we are still getting it today. If it wasn't for the biblical values contained within our legal, moral and social laws, the west would never has prospered to where they are today. This is a very accurate description of how human government would overload its people. The end game for most prospering economies includes a bloated and overloaded bureaucracy.*

**Around 700BC, Isaiah also revealed another end of the age burden of moving away from God's values.**

**Problems beyond solution. ISA 3:4** And I will give children to be their princes (*immature and unskilled leaders*), and babes (*the deluded*) shall **rule** over them. **5** And the people shall be oppressed (*driven and pressured*), every one by another (*political correctness fits this description*), and every one by his neighbour (*friend*): **5** ...the child shall behave himself proudly against the ancient (*rebellious youth*), and the base against the honourable (*ignorant against the wise*). Consider the rebellious culture of our modern youth... and the big business that is profiting from them. **6** When a man shall take hold of his brother of the house of his father, saying, Thou hast clothing (*you look the part*), be thou our ruler, and **let this ruin be under thy hand**: They know that things are terribly wrong, but many who are qualified to lead, refuse, because the system is far too toxic. Many who aren't skilled or wise, will take most nations to the brink of moral and spiritual ruin, speeding up the crisis. Due to ignorance and lack of wisdom, a positive image needs to be pretended. As the wheels start falling off... the appearance of doing something becomes vital. Their 'progressive' solutions are the same ones that failed past generations. They are neither new nor liberating. **7** In that day shall he swear, saying, I will not be an healer; for in my house is neither bread nor clothing: make me not a ruler of the people. When decent men refuse to lead, it opens the door for fools and tyrants... society spirals ever downward. **8** For Jerusalem is ruined, and Judah is fallen: because their tongue and their doings are against the LORD, to provoke the eyes of his glory. Our nations provoke God with our sins... we promote a sin filled society. Like the Garden of Eden and King Saul, God has allowed us to make our own choices. Sadly, many of our chosen leaders promote the sins that a failing society loves. These leaders speed up the collapse and fall of God's chosen nations. **9** The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul! for they have rewarded evil unto themselves. **10** Say ye to the righteous, that it shall be well with him: for they shall eat the fruit of their doings (*we are hitched to another wagon, we have a solution*). **11** Woe unto the wicked! it shall be ill with him: for the reward of his hands shall be given him. **12** As for my people, children are their oppressors, and women rule over them. O my people, they which lead thee cause thee to err, and **destroy the way of thy paths** (*by removing the pillars off God's foundation: eventually the extra burden collapses the building*). People inherit their choices accordingly.

**Economic destruction detailed almost 2 thousand years ago.** It appears that this prophecy is unfolding right now. The book of James was written '*to the twelve tribes scattered abroad*' ... thus we have a book revealing much more than spiritual motivations. We actually have a book which defines and reveals specific information about Israel's future inheritance that was promised to the descendants of Abraham and how their focus on wealth and riches at the expense of everyone else would lead to an escalating economic meltdown. **JAM 5:1** Go to now, ye rich men, weep and howl for your miseries that shall come upon you. **2** Your riches are corrupted, and your garments are moth-eaten (*both spiritual and natural implications*). **3** Your gold and silver (*money*) is cankered; and the rust (*corruption*) of them shall be a witness (*in the context of this prophecy... a sign*) against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days. **4** Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth. We see so many cases of underpayment and corruptions of the dominance of selfish wealth... worldwide and at every level of employment (*consider the simple evidence of the royal commission into the banking sector of recent times in Australia*). **5** Ye have lived in pleasure on the earth, and been wanton; ye have nourished your hearts, as in a day of slaughter. **6** Ye have condemned and killed the just; and he doth not resist you. The Christian ethic depends on God fighting our battles rather than self vengeance... it may take longer, but when God responds, he does it in an overwhelming and complete manner. **7** Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain. The Lord is counting down the time, saving and recovering who he can; using us to do his wonderful work. **8** Be ye also patient; stablish your hearts: for the coming of the Lord draweth nigh. Not only does this prophecy identify the last stages of a completely broken down world system, it also identifies the timing for the return of the Lord.

Just as God blessed the world for the sake of his promised people, he will also protect his people when the wheels fall off the corrupt and the ungodly. **ISA 3:10** Say ye to the righteous, that it shall be well with him: for they shall eat the fruit of their doings.

These revelations empower us well into the next generation. We know the solution and we know the current world cannot survive what is to come at their own hand. God has sent us to be part of the solution and not part of the problem. Jesus Christ will soon set up the type of world that will be free of all the corruptions and problems that are listed above. Thus Jesus said... **MAR 16:15**... And he said unto them, Go ye into all the world, and preach the gospel to every creature.
