

BELIEVE THE SCIENCE !!

10/5/20

We are continually pressured to 'believe the science', even though many scientists disagree with each other. Quite often, the term 'science' is used when a political or religious outcome is desired. It would be more convincing to see the evidence than respond to an appeal to authority, which is a false and unproven argument.

The academic description of science. *'The systematic study of the structure and behaviour of the physical and natural world through observation and experiment; requiring each answer to be validated with evidence that can be reproduced'. The majority of scientists agree that the universe had a beginning (big bang) and that all matter is aging. There is no science that can explain the existence nor the causation of the known universe... that is a scientific fact. **Nothing, can ever become something... whether matter or forces.***

Thus, science concludes that the formation of the universe, had to occur from existing forces outside of natural forces and known scientific principles. →

*It is very interesting that God also requires the same conditions, that support provable science. **1COR 2:12** Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God.*

13 Which things also we speak, not in the words which man's wisdom **teacheth** (personal opinion, philosophy and religion), but which the Holy Ghost **teacheth**; **comparing spiritual things with spiritual** (this is the true scientific method... compare and test till repetition is possible). **14** But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned. Like true science, God asks us to believe the bible based on the evidence that is able to be revealed and replicated, rather than the authority of the person speaking. Let's take a look...

GEN 1:1 In the beginning God **created** the heaven and the earth. & **COL 1:16** For by him were all things created, that are in heaven, and that are in earth, **visible and invisible...** *Despite their collective intelligence; millions of scientists cannot make something from nothing. Creation is the only possibility that fits the science.*

JOB 32:8 But there is a spirit in man: and the inspiration of the Almighty giveth them understanding. *God claims to have made life, yet many educators believe life and intelligence came from nothing as well.*

2TIM 3:7 Ever learning, and never able to come to the knowledge of the truth. *Refusing to believe the science.*

JOH 3:2 The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for **no man can do these miracles that thou doest, except God be with him.** *Some knew the truth, but were too afraid to speak up for fear of retribution. Nothing has changed today either.*

1TIM 6:20 O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called: *Preach and build on what is provable, and expand out from that.*

The voice gifts... **1COR 14:25** And thus are the secrets of his heart made manifest; and so falling down on his face he will worship God, and report that God is in you of a truth. *To the humble, God is a revealing force.*

God's salvation truth can be replicated... real science and true religion in action. **MAR 16:20** And they went forth, and preached every where, the Lord working with them, and confirming the word with signs following. Amen. *The Holy Spirit and Speaking in tongues... is something from nothing in the scientific sense. Tongues is God's unique sign/evidence of salvation and remains as evidence that we are born again in an effectual way.*

'Only two things are infinite, the universe and human stupidity, and I'm not sure about the universe'. Albert Einstein. We are always told to believe the science, yet if it involves God or Jesus Christ, we are told the opposite. Real science will always prove true religion... most truth is lost in the biased translation of both.

1, The Zero Properties Law of multiplication says that any number or object multiplied by **0** equals **0**. The **Zero Properties Law** of addition says that any number plus **0** equals the same number.

2. Matter cannot be created nor destroyed... The law of conservation of mass... in a closed or isolated system, matter cannot be created or destroyed. It can change forms but is conserved.

3. Atoms and molecules. Atoms as the building blocks of matter, depend upon **Electrostatic & Magnetic forces** already existing. Without these forces, atoms couldn't form nor maintain formation.

4. Everything goes from order to disorder... The **Second Law of Thermodynamics** (Law of Energy Decay... Entropy) states that every system left to its own devices always moves from **order to disorder**.
