

WHY DO THE HEATHEN RAGE?

14/6/20

The natural position of 'non or anti-Christians' is to rage against God's laws and principles, despite them giving humanity the best opportunities for a fair and sustainable life. The more they rage, the worse life becomes for the free world, with one failure leading to another. Sadly, yet predictably; the human race never learns from its mistakes. Pride and ignorance always lead to the failures that past generations also suffered.

God made sustainable rules at creation

The promises made to Abraham. GEN 26:4 And I will make thy seed to multiply as the stars of heaven, and will give unto thy seed all these countries; and in thy seed shall all the nations of the earth be blessed; God chose the gender of leadership, the races of the benefactors and the structure of social laws that provide perpetual blessing... that is why most people hate God. They all want to do as they please, regardless. Most people are totally ignorant, or choose to ignore that much of the science, industry, engineering and inventions that have made our world strong and safer, have come from people blessed by these promises to Abraham. The British and US people are the descendants of these promises. The West prospered very quickly guided by the principles contained within the 10 commandments, which offered sustainable moral values, academic and economic success. The whole world has been blessed, despite opposing forces with it.

Like Satan, everyone wants their opinions to be enforced

The following is a typical parable type situation, where the clay tells the potter how to do his job. PSA 2:1 Why do the heathen rage, and the people imagine a vain thing? **2** The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, **3** Let us break their bands asunder, and cast away their cords from us. *Human nature does not change unless God changes it for them with his spiritual blessing.* **4** He that sitteth in the heavens shall laugh: the Lord shall have them in derision. *The potter is not amused. This world will pay the price of defying the laws which make life possible.*

Anything but God

The failures of 'progressive' thinking... 1SAM 8:7 And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, **but they have rejected me,** that I should not reign over them. *Those who reject God will also reject those who stand on God's promises.*

ISA 30:1 Woe to the rebellious children, saith the LORD, that take counsel, but not of Me; and that cover with a covering, but not of My Spirit, that they may add sin to sin... **& 9** That this is a rebellious people, lying children, children that will not hear the Law of the LORD. *We are surrounded by the modern cries of inclusion, progressiveness, the banning of hate speech (things people hate to hear). People demand to be exempt from disapproval, while they are free to disapprove of everyone they want. They exercise selective outrage. These are the symptoms of people who are ungodly, confused, hypocritical and self-destructive.*

You cant quote God, but you can quote 64 gender types

The year old, Israel Folau controversy has shown how quickly and violently people can react when God's words are quoted. 1 COR 6:9 Know ye not that the unrighteous shall not inherit the kingdom of God? **Be not deceived** (the purpose of these verses is to reveal the effects of poor choices): neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, **10** Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, **shall inherit the kingdom of God.** *This is about the kingdom of God... if people don't believe in God, why all the fuss and rage in the first place? Conscience??*

Birds of a feather flock together... till the cat comes.

Seeking approval from likeminded people. 2TIM 4:3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; *Progressive thinking leads people to believe that this time they know better than everyone else, thus they feel infallible. After all, their feelings are stronger than the past lessons of history, even stronger than all their personal errors driven by their mindless egos. Feeling 'nice and loving' is far more important than reality.*

Those who don't know history are doomed to repeat it... those who lead today don't know their history.

'Modernising' or rejecting Christianity is seen as progressive, yet is nothing more than repeating past failures.

ISA 5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! *The law of the spirit is no different than natural laws... they are simply laws based on spiritual values. Breaking them is no different than breaking natural or physical laws, eg., gravity, mathematics, etc. There are consequences to defying laws that are stronger than our ability to survive.* **ROM 3:23** For all have sinned, and come short of the glory of God; *It is not personal attack as such, but a warning to find safety and security.* **EZE 18:4** Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine: the soul that sinneth, it shall die. *God offers a solution to death. Jesus Christ is returning before our continuous failures lead to total annihilation.*

You and I are the only light in the darkness... outside of God's salvation plan, there is nothing!

God has a simple answer that works. ACT 2:38 Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. *God offers a constant spiritual experience, not emotionally charged opinions that change weekly.*
