

FAMOUS LAST WORDS

6/9/26

Some people are very astute and are fully aware of their position in life and the threats and benefits that surround them. Some are not quite switched on and seem oblivious to everything that may harm or threaten them. The last words a person utters can often reflect the wisdom of their life and purposes... or the lack of it.

We would all like to think that we have learnt enough in the Lord to have a good grasp of the things that would be wise to know and live by. The lord has asked us to live every day as if it is our last... it is hoped that what we do and say might reflect that wisdom; seeing the Lord's return is getting closer.

This is a list of some famous last words... some true and some from movies or books.
